

Efficiently and effectively build a stronger organization and a healthier community through exclusive access to governance **knowledge**, **resources**, and **relationships**.

The Governance Institute is your partner in governance. Utilizing our extensive resources and expertise, we deliver personalized, innovative solutions that are tailored to your healthcare board's unique needs. Working together, we can solve complex board challenges and accelerate intentional governance.

# The power of educated healthcare leaders

The Governance Institute, a service of NRC Health

## Our Mission

The Governance Institute provides trusted, independent information, resources, tools, and solutions to board members, healthcare executives, and physician leaders in support of their efforts to lead and govern their organizations.

## Intentional Governance Approach

We deliver ongoing resources to ensure your board is growing smarter and more effective.

- Articles on healthcare trends from curated experts and industry thought leaders.
- Multi-modal, targeted resources that enable continuous governance improvement.

BoardCompass®
